Brimstone

THE FURY OF 70's ROCK

Brimstone was founded in 2008 at the 2112 Rock School. The band's main purpose is to offer our most outstanding and talented students the opportunity to further develop their skills in a structured band environment, coached by instructors with many years of experience in the music industry. The band's mission is, through playing live shows around the state, to inspire and encourage other young people to discover for themselves how rewarding learning to play a musical instrument can be.

Book the Band:
Mike Uzzell (910) 545-4204
